

More data across the EU

Get online with complete peace of mind in the EU

Good news for anyone who regularly travels within the EU! **From 20 January, the Connected Mobile Intense, Extreme and Traveller formulas**, as well as the **Data Everywhere Intense and Data Everywhere Extreme tariff plans**, are changing.

To make your experience even better, all your data for Belgium and the EU will now be combined in a single package. **So you no longer have to think about data limits and extra charges in the EU.**

	Data allowance before 20/01	Data allowance from 20/01
Connected Mobile Intense*	100 GB BE + 39 GB EU	150 GB BE + EU
Connected Mobile Extreme / Traveller**	Unlimited	Unlimited
Data Everywhere Intense*	100 GB BE + 39 GB EU	150 GB BE + EU
Data Everywhere Extreme**	Unlimited	Unlimited

* Connected Mobile Intense and Data Everywhere Intense: the monthly bundles of 100 GB for usage in Belgium (usage above 100 GB charged at €0.0826/MB) and 39 GB for usage in EU (above 39 GB charged at €0.0015/MB) are replaced by one bundle of 150 GB for usage in Belgium and EU (usage above 150 GB charged at €0.0826/MB).

** Connected Mobile Extreme & Traveller and Data Everywhere Extreme: the monthly bundles of 300 GB for usage in Belgium (above 300 GB, speeds of 512Kbps) and 65 GB for usage in EU (usage above 65 GB charged at €0.0015/MB) is replaced by one bundle of 300 GB for usage in Belgium and EU (above 300 GB, speeds of 512Kbps).

Connected Mobile: the right choice

As a Connected Mobile customer, you always enjoy the following advantages.
