

Conditions –Shape formulas

Shape Light is a 6-euro per month formula with 50 MB for mobile surfing in Belgium.

Thanks to Extended Fleet you can call and text in Belgium to all Orange numbers and landlines without limits, at any time of the day.

Consumption outside the bundle

- If you exceed your volume of 50 MB, you get a message telling that your embedded data volume has been used. You will then continue at 0,0248€ per additional MB.
- This formula does not include call minutes or text messages to other Belgian networks; you pay 0.10 euros per minute or text message, except for special numbers.
- This formula does not include MMS. You pay 0.20 euros per MMS.

Shape Basic is a 12-euro per month formula with:

- 90 minutes to call from Belgium to all Belgian networks, except for special numbers, at any time of the day;
- 250 text messages to send from Belgium to all Belgian networks, except for special numbers, at any time of the day;
- 500 MB for mobile surfing in Belgium;

Consumption outside the bundle

- If you exceed your volume of 500 MB, you get a message telling that your embedded data volume has been used. You will then continue at 0,0248€ per additional MB.
- If you exceed the call volume or the number of texts included in this formula, you'll pay 0.10 euros per minute or text message, except for special numbers.
- This formula does not include MMS. You pay 0.20 euros per MMS.

Shape Plus is a 20-euro per month formula with:

- 300 minutes to call from Belgium to all Belgian networks, except for special numbers, at any time of the day;
- unlimited number of text messages to send from Belgium to all Belgian networks, except for special numbers, at any time of the day;
- 2 GB for mobile surfing in Belgium;

Consumption outside the bundle

- If you exceed your volume of 2 GB, you get a message telling that your embedded data volume has been used. You will then continue at 0,0248€ per additional MB.
- If you exceed the call volume included in this formula, you'll pay 0.10 euros per minute, except for special numbers.
- This formula does not include MMS. You pay 0.20 euros per MMS.

All prices exclude VAT.

- Shape is incompatible with the Mobile Business, One Office Voice Pack and One Office Full Pack tariff plans.
- Unused call credit, text messages and/or data volume cannot be transferred to the following month.
- Unlimited call credit and text messages are valid for normal use in Belgium.
- Orange reserves the right to limit the service, suspend and/or terminate the contract if the network is overloaded or used inappropriately (this includes use as a SIM box or baby monitor). The SIM card must not be used for connections without human intervention or between an industrial modem and a server (M2M communication).
- The discovery promotion gives you a monthly 2€ discount on the Ultimate, International and Traveller plans for the contract term.
